Comments made during this presentation and any following question-and-answer session may include certain statements relating to future results which are forward-looking statements, including those relating to our revenue, earnings and operating performance, as well as identifying and consummating attractive acquisition opportunities. These statements are not historical facts, but instead represent only the Company's current belief regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company's control. It is possible that the Company's actual results, financial condition and achievements may differ, possibly materially, from the anticipated results, financial condition and achievements contemplated by these forward-looking statements. Further information concerning the Company and its business, including factors that potentially could materially affect the Company's financial results and condition, as well as its other achievements, are contained in the Company's filings with the Securities and Exchange Commission. Some factors include: general economic conditions around the country; downward commercial property and casualty premium pressures; the effects of legislative and regulatory changes in Florida pertaining to the insurance industry; the competitive environment; the integration of the Company's operations with those of businesses or assets the Company has acquired or may acquire in the future and the failure to realize the expected benefits of such integration; and the potential occurrence of a disaster that affects certain areas of the States of California, Florida, Georgia, Indiana, Louisiana, Massachusetts, Michigan, New Jersey, New York, Pennsylvania, Texas and/or Washington, where significant portions of the Company's business are concentrated. All forward-looking statements made herein and during Mr. Brown's presentation and any related question-and-answers session are made only as of the date of such statements, and the Company does not undertake any obligation to publicly update or correct any forward-looking statements to reflect events or circumstances that subsequently occur or of which the Company hereafter becomes aware.
